Always Best Care Senior Services Expands with 3rd Franchise in Chicago Area

Roseville, CA (April 18, 2013) — Always Best Care Senior Services, one of the fastest growing Senior Care franchise systems in the United States, today announced the company has awarded its third franchise in the metropolitan Chicago area. As a result, the company is expanding its coverage to encompass Palos Park and the southwestern suburbs of Oak Forest, Tinley Park, Orland Park and surrounding areas.

Always Best Care now provides services throughout the Chicagoland area, with offices in Glenview, Palos Park and Du Page County.

Always Best Care is one of the nation's leading providers of non-medical in-home care, assisted living placement services and skilled home health care. The company delivers its services through an international network of more than 180 independently owned and operated franchise territories.

The new Always Best Care franchise is owned and operated by Maryann Murnin, a registered nurse with experience in both public health and senior care. Ms. Murnin also gained experience at Children's Memorial Hospital and Hinsdale Hospital.

"It is very satisfying, and feels especially right, that we have awarded our newest franchise to a person with Maryann Murnin's long-standing healthcare background, character and commitment," said Michael Newman, founder and Chief Executive Officer of Roseville, CA-based Always Best Care. "I know that she will be an important contributor to her community and to the Always Best Care team."

"The level of care needed progresses, fairly inevitably, over time," she said. "Always Best Care understands this, and offers a *continuum of care* which ranges from non-medical in-home care to assisted living finder and referral services to skilled home health care. "
