Always Best Care® Expands with 6th Senior Care Franchise in Texas

Roseville, CA (September 15, 2014) — Always Best Care® Senior Services, one of the leading senior care franchise systems in the United States, today announced the company has awarded its newest and sixth franchise in Texas. Always Best Care of The Woodlands will be the third Always Best Care franchise in the Houston area, joining franchisees serving greater Houston, the energy corridor, Galleria, Richmond, Spring, Katy and other communities.

Founded in 1996, Always Best Care began franchising in 2007 and is one of the fastest growing senior care franchise systems in the USA and Canada. The company delivers a combination of non-medical in-home care, assisted living finder/referral services and skilled home health care through an international network of more than 185 independently owned and operated franchised territories.

The new Always Best Care franchise is owned and operated by Kelly and Richard Britton. Kelly has worked in the healthcare industry for more 20 years as a consultant dietitian assisting seniors to manage the symptoms of aging through wellness and nutrition. Richard brings extensive business and management experience spanning several industries and areas, including oilfield, logistics, sales, human resources, and distribution. The Brittons were introduced to Always Best Care by Harrison Evans, a business consultant with Venture Franchise Group.

“I am very pleased to welcome Kelly and Richard Britton as our newest franchisee owners,” said Michael Newman, founder and Chief Executive Officer of Roseville, CA-based Always Best Care. “Kelly’s extensive healthcare background and Richard’s extensive business experience provide a perfect combination for what I know will be a very successful franchise.”

With the population of seniors rising to unprecedented levels, the Brittons identified a need to help seniors maintain good health and live independently.

“We are thrilled to have been awarded this opportunity with Always Best Care,” said Kelly and Richard Britton. “Above all else, we are working to establish our business as a valuable senior care resource by providing exceptional and quality care to seniors and getting involved and giving back to our local community.”
